KODAK FILMS.

FREE DARK ROOMS AT THE WORLD'S FAIR.

The World's Fair Authorities, after seeing the superior work done on our new film,
decided to sell no roll film and no cut sheet film on the grounds other than ours.

We have purchased the exclusive concession for a dark room at the fair, and are
erecting a building as headquarters for Kodakers. The use of the dark room will be free
for changing films and plates.

Competent attendants will be in charge, to set right anybody that may have trouble in
operating the Kodak, and will make slight repairs that may be necessary without charge.

If anybody comes to the fair with a Kodak that will not work properly, we will replace
it with one that is in good order.
